Hourly Driver PTO Program Upgrade

Effective 3/15/2026, JRayl drivers paid hourly will receive an improved benefit to the PTO policy. Paid time off scheduled after the effective date will be paid at the driver's hourly rate. Drivers will be paid eight (8) hours for a full day and four (4) hours for a half day, upon approval of the request. Accrual of paid time off hours will remain unchanged and is subject to the rules noted in the employee handbook. Please see example below for sample payout.

Example: Driver A has 10 days of PTO and earns \$20 per hour

Full day PTO = \$160 = 8 hours * \$20 / hour

Half day PTO = \$80 = 4 hours * \$20 / hour
