Accrual of PTO

Use of PTO (Advanced / Unaccrued PTO)

- Drivers may use PTO before it is fully accrued, subject to approval and operational needs.
- PTO requests must be submitted at least two (2) weeks in advance and are approved on a first-come, first-served basis.
- Drivers may not exceed more than five (5) days of unaccrued PTO at any time without HR approval.
- The Company reserves the right to deny requests for advanced PTO based on staffing needs, performance, or attendance concerns.

Maximum Consecutive PTO Days

- Drivers may take up to five (5) consecutive PTO days without additional approval.
- Any request for more than five (5) consecutive PTO days requires written approval from the driver's manager and HR.

PTO Payout at Separation

Drivers who resign or are terminated for reasons other than "just cause" will be paid out for any unused, accrued PTO, subject to the following:

PTO WILL NOT BE PAID OUT if:

- The driver is terminated for "just cause," or
- The driver resigns without giving at least two (2) weeks' advance notice, or
- The driver has less than one (1) year of service at the time of resignation.

Overuse of PTO (Company Recoupment Right)

If a driver has used more PTO than they have accrued at the time of resignation or termination, the Company reserves the right to deduct the value of those excess PTO days from the driver's final paycheck, to the extent permitted by law.

End-of-Year PTO Buyback (No Carryover)

PTO does not carry over from one calendar year to the next. Any unused PTO remaining at the end of the calendar year will be paid out within the first quarter of the following year. **Drivers must be actively employed and working at the time of the payout in order to receive the PTO buyback.**
